

**OCEANS CLOVERLEAF CONDOMINIUM ASSOCIATION**

## **SPECIAL ANNOUNCEMENT**

**We are aware that some owners are having problems with their new Blue Stream service.**

**The company has identified the problem and is working to correct it.**

**New software will be installed which will allow the routers to operate more efficiently.**

**We thank you for your patience while this issue is being resolved.**

**Please be assured that once the kinks are worked out, each unit will have the performance which was promised.**
